Colors in the Bible, part 2

In last week's Thoughtful Thursday, I wrote about colors being referred to in the Bible. I started with Red, White, Purple and Blue. This week's colors are Green, Gold, Black and Silver

Green: Is mentioned in one my favorite passages of scripture, Psalm 23.2 "He makes me lie down in green pastures. He leadeth me beside the still water. He restores my soul". Green must be a color of relaxation. Laying in the soft green grass, looking up at the fluffy clouds and thinking "that cloud looks like.."

Gold: Exodus 25:11 "You shall overlay it with pure gold, inside and outside shall you overlay it, and you shall make on it a molding of gold around it." Gold, like the leaves in the fall. It is said the heaven has streets of gold.

Black: Isaiah 50:3 "I clothe the Heavens with blackness and make sackcloth their covering." Black reminds me of the sky at night, or a threatening sky before a thunderstorm.

Silver: Proverbs 25:11 "A word fitly spoken is like apples of gold." Like a wedding or work anniversary. That is quite an accomplishment.

Pause, if you will, for a few minutes and think about the colors in your life Bible. Do they have a place in your life?

Regional prayers are requested for Iglesia Christiana Nueva Jerusalem - Rochester, MN - Benjamin Vanegas, Peggy Stott & Sylvia Larssen. First Christian Church, Sac City - Mark McWhorter and the Christian Church in Arizona.

Pastor Doug's sermon topic this week is, " Gifts of the Spirit". The scripture is 1 Corinthians, 12:7-11, key verse is #7.

Remember those on our prayer list. We are still taking orders for the new church shirts. There will be a meeting after church next Sunday to discuss the history of our church in order to plan for the future.

C U Sunday?
