

MINDFUL MONDAY JANUARY 7TH

A New Year's Prayer

Lord, You make all things new

You bring hope alive in our hearts

And cause our Spirits to be born again

Thank you for this new year

For all the potential it holds.

Come and kindle in us

A mighty flame

So that in our time, many will see the wonders of God

And live forever to praise Your glorious name.

We give thanks to those recovering from illnesses and surgeries. We lifted up Merle, Mike S., Reva, and Haile all doing better, and we ask for God to continue to provide healing and recovery.

We pray for Judi's friend Hannah who was diagnosed with a brain tumor. We pray for her treatment and pray for her health.

We lift up Casey's friend Kayla for the birth of her new baby. We also pray for her friend Teia whose husband, Walt, suffered another stroke.

We ask for prayers for Jeff and Sue Crouse's sister-in-law, Steff Crouse who was diagnosed with breast cancer and will undergo surgery and treatment at the end of the month. We pray for her medical team and her treatment plan.

We pray for the members on our prayer list, Lorraine, Judy, Craig, Joanne, Floyd & Dona, and Virginia.

We pray for Perry. Our hearts go out to the families that are suffering, including the victim, Ahmir Jolliff. We pray for the gunman's family. We pray for the community and staff and students that will suffer the effects of this tragedy for years to come. We pray for changes to happen to provide support for mental health and to help avoid future tragedies.

We pray today for the churches, pastors, and ministries of our Region and General Church.
