

MINDFUL MONDAY FEBRUARY 26TH

So the last will be first, and the first will be last. Matthew 20:16

Last is first? According to Jesus those that dedicate their lives to Him will receive the promised reward. We are to live with a servant's heart. We can love with action to show others God's love. Pastor Jason's challenge to us this week was simple; "Do one thing that makes you a servant of all." Go out and be the good.

This morning our Elders met, and our meeting turned into a brainstorming session of ways we can serve the community. We ask that you please share any ideas you have on ways we can be servants in our town. Please pray as we come up with new ideas and ways to share God with our neighbors. Please pray for something that may be on your heart to try and for our church as we navigate this challenge to serve more.

Our prayers this week include Lucy Walker, the little girl that suffered burns from a candle accident. We lift up this family and rejoice that she is doing better and has been able to come home. We know she will have more procedures in the future so we will continue to pray for the Walkers.

We pray for our prayer list. We pray for those in our congregation that are not able to join us for worship, but we hope they can feel our prayers and feel God's presence. We ask for Your healing hand for those who are in need and those that have health needs they deal with daily.

We pray for Lorraine, Craig, Floyd & Dona, Judy, Joanne, and Virginia.

Our regional prayer calendar includes the following churches, pastors, and ministries of our region to pray for this week.
